**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition, I do not want to see you cut off competitive access and limit my ability to choose a competitive carrier. I stand firm in saying NO to price hikes that will increase the cost of internet and telephone services.

I have Sonic internet and telephone service for the past 2 years and am very pleased with their service. They are supplying a good product to the community at a fair price. Please leave the 1996 Telecommunications Act as is to protect the many consumers who are pleased with the way it is.

I do not want to be affected materially by any changes that you plan on making, leave the 1996 Act alone.
